THE SOUL OF A THIEF

In the spring of 1944, I realized that I was not going to survive the war...

Shtefan Brandt, adjutant to a colonel of the Waffen SS, has made it through the war so far in spite of his commander’s habit of bringing his staff into battle and in spite of the heritage that he has so far managed to conceal. Instead, his growing interest in his commander’s mistress may be the end of him, were Colonel Erich Himmel to notice.

Colonel Himmel has other concerns, however. He can see the war’s end on the horizon and recognizes that he is not on the winning side, no matter what the reports from Hitler’s generals may say. So he has taken matters into his own hands, hatching a plan to escape Europe and the Allies only after stealing a fortune from them.

A fortune that Shtefan, in turn, plans to steal from him...

THE BLACK PAINTING

A literary mystery about an old-money East Coast family facing the suspicious death of its patriarch and the unsolved theft of a Goya painting rumored to be cursed.

There were four cousins in the Morse family: perfect Kenny, the preppy West Coast lawyer; James, the shy but brilliant medical student; his seductive, hard-drinking sister Audrey; and Teresa, youngest and most fragile, haunted by the fear that she has inherited the madness which possessed her father.

Their grandfather summons them to his mansion at Owl’s Point. None of them has visited the family estate since they were children, when a prized painting disappeared: a self-portrait by Goya, rumored to cause madness or death upon viewing. Afterwards, the family split apart amidst the accusations and suspicions that followed its theft.

Any hope that their grandfather planned to make amends evaporates when Teresa arrives to find the old man dead, his horrified gaze pinned upon the spot where the painting once hung. As the family gathers and suspects mount, Teresa hopes to find the reasons behind her grandfather’s death and the painting’s loss. But to do so she must uncover ugly family secrets, and confront those who would keep them hidden.

British special agent Jeremiah Black, an officer of the King’s Guard, lands on a lonely beach in the wee hours of the morning in late November, 1780. The Revolution is in full swing but has become deadlocked. Black is here to change all that.

His mission, aided by Loyalists, is to kidnap George Washington and spirit him back to London aboard the HMS Peregrine, a British sloop of war that is waiting close off shore. Once he lands, the “aid by Loyalists” proves problematic because some would prefer just to kill the general outright. Black manages—just—to get Washington aboard the Peregrine, which sails away.

Upon their arrival in London, Washington is imprisoned in the Tower to await trial on charges of high treason. England’s most famous barristers seek to represent him but he insists on using an American. He chooses Abraham Hobhouse, American born barrister with an English wife—a man who doesn’t really need the work and thinks the “career-building” case will be easily resolved through a settlement of the Revolution, and Washington’s release. But as greater political and military forces swirl around them and peace seems ever more distant, Hobhouse finds that he is the only thing keeping Washington from the hangman’s noose.

Drawing inspiration from an actual kidnapping plot hatched in 1776 by a member of Washington’s own Commander-in-Chief guard, Charles Rosenberg has written a compelling novel that envisions what would take place if the leader of America’s fledgling rebellion were taken from the nation at the height of the war, imperiling any chance of victory.

Charles Rosenberg is the author of the bestselling legal thriller Death on a High Floor and its sequels, Long Knives and Paris Ransom (Thomas & Mercer).

“A fascinating tale that combines spy thriller elements, political skullduggery, and courtroom drama.” —Booklist

“Fresh, fun fiction that weaves some intriguing historical themes of what might have happened. This atypical escapade exudes all the right touches. A clever and imaginative tale.” —Steve Berry, New York Times bestselling author of The Patriot Threat

“Wonderful! From the very first page a thrilling, beautifully imagined ‘what if’ story—I read it straight through at a gallop!” —Max Byrd, national bestselling author of Jefferson
At the end of the summer of 1859, 22-year-old Peachy Quinn Harrison went on trial for murder in Springfield, Illinois. Abraham Lincoln, who had been involved in more than 3,000 cases—including more than 25 murder trials—during his two decades-long career, was hired to defend him. This was to be his last great case as a lawyer.

What normally would have been a local case took on momentous meaning. Lincoln’s debates with Senator Stephen Douglas the previous fall had made gained him a national following, transforming the little-known, self-taught lawyer into a respected politician. He was being urged to make a dark-horse run for the presidency in 1860. Taking this case involved great risk: His reputation was untarnished, but should he lose this trial, should Harrison be convicted of murder, the spotlight now focused so brightly on him might be dimmed. He had won his most recent murder trial with a daring and dramatic maneuver that had become a local legend, but another had ended with his client dangling from the end of a rope.

The case posed painful personal challenges for Lincoln: The murder victim had trained for the law in his office, and he had been his friend and his mentor. His accused killer, the young man he would defend, was the son of a close friend and loyal supporter. And to win this trial he would have to form an unholy allegiance with a long-time enemy, a revivalist preacher he had twice run against for political office—and who had bitterly slandered Lincoln as an “infidel... too lacking in faith” to be elected.

Lincoln’s Last Trial captures the presidential hopeful’s dramatic courtroom confrontations in vivid detail as he fights for his client—but also for his own blossoming political future. It is a moment in history that shines a light on our legal system, as in this case Lincoln fought a legal battle remains incredibly relevant today.

“Dan Abrams and David Fisher write the heart-pounding pulse of history. Abraham Lincoln: the dusty shoes, the weary eyes, the Jedi mastery of a jury in a true case of life and death. So pull up a chair. This book not only brings a rare transcript to life, it makes you feel as if you are watching a live camera riveted on a courtroom more than 150 years ago.”
——Diane Sawyer

“You didn’t know that Abraham Lincoln was the defense lawyer in a notorious murder case on the eve of his presidency? Neither did I. But Dan Abrams and David Fisher tell the remarkable tale in Lincoln’s Last Trial, and the story is both compelling on its own terms and a lesson about some eternal truths about criminal justice.”
——Jeffrey Toobin, author of American Heiress

“We all know the story of Abraham Lincoln the wartime president, the defender of the Union, and the emancipator of the slaves. But Abraham Lincoln, the defense lawyer! Dan Abrams and David Fisher recount the engaging story of Lincoln’s Last Trial, occurring on the cusp of the Civil War. An entertaining book filled with twists and turns and tailor-made for Civil War buffs.”

THE LIFE LUCY KNEW
One woman is about to discover everything she believes—knows—to be true about her life...isn’t.

After hitting her head, Lucy Sparks awakens in the hospital to a shocking revelation: the man she’s known and loved for years—the man she’s recently married—is not actually her husband. In fact, they haven’t even spoken since their breakup four years earlier. The happily-ever-after she remembers in vivid detail—right down to the dress she wore to their wedding—is only one example of what her doctors call a false memory: recollections Lucy’s mind made up to fill in the blanks from the coma.

Her psychologist explains the condition as honest lying, because while Lucy’s memories are false, they still feel incredibly real. Now she has no idea which memories she can trust—a devastating experience not only for Lucy, but also for her family, friends and especially her devoted boyfriend, Matt, whom Lucy remembers merely as a work colleague.

When the life Lucy believes she had slams against the reality she’s been living for the past four years, she must make a difficult choice about which life she wants to lead, and who she really is.

EVEry LAST LiE

New York Times bestselling author of The Good Girl and Pretty Baby, Mary Kubica is back with another exhilarating thriller as a widow’s pursuit of the truth leads her to the darkest corners of the psyche.

“The bad man, Daddy. The bad man is after us.”

Clara Solberg’s world shatters when her husband and their four-year-old daughter are in a car crash, killing Nick while Maisey is remarkably unharmful. The crash is ruled an accident...until the coming days, when Maisey starts having night terrors that cause Clara to question what really happened on that fateful afternoon.

Tormented by grief and her obsession that Nick’s death was far more than just an accident, Clara is plunged into a desperate hunt for the truth. Who would have wanted Nick dead? And, more importantly, why? Clara will stop at nothing to find out—and the truth is only the beginning of this twisted tale of secrets and deceit.

Told in the alternating perspectives of Clara’s investigation and Nick’s last months leading up to the crash, master of suspense Mary Kubica weaves her most chilling thriller to date—one that shows that some secrets might be better left buried.

THE CROSSING
From the highly acclaimed and New York Times bestselling author of The Returned comes a high-concept dystopian novel that imagines a world at war and two siblings who are forced on the run, challenged to do whatever it takes to protect themselves and each other.

Twins Virginia and Tommy Matthews have been on their own since they were orphaned at the age of five, surviving a merciless foster care system by relying on each other. Twelve years later, the world begins to collapse around them as a deadly contagion steadily wipes out entire populations and a devastating world war rages on for the cure. When Tommy is drafted for the war, the twins are faced with a choice: Stay and accept their fate of almost certain death, or run. Virginia and Tommy flee into the dark night.

Armed with only a pistol and their fierce will to survive, the twins set forth in search of a new beginning. Encountering a colorful cast of characters along the way, Tommy and Virginia must navigate the dangers and wonders of this changed world as they try to outrun the demons of their past.

With deft imagination and breathless prose, this is a riveting tale of loyalty, sacrifice, and the burdens we carry with us into the darkness of the unknown.

HOT MESS

Twenty-something Allie Simon is used to playing by the rules—until Chicago’s most sought-after, up-and-coming culinary genius, Benji Zane, walks into her world and pulls her into his. The only thing more renowned than Benji’s mouthwatering masterpieces and equally luscious good looks? His struggle with addiction and his reckless tendency to live life on the edge, no matter the havoc he wreaks along the way. But loving someone means supporting him no matter what, or so Allie tells herself. That’s why, when Benji’s offered the chance to light up foodie hot spot Randolph Street with a high-profile new restaurant, Allie takes the ultimate risk and invests her life savings in his dream.

Then one day Benji disappears, relapsing to a place where Allie can’t reach him. Left with nothing but a massive withdrawal slip and a restaurant that absolutely must open in a matter of weeks, Allie finds herself thrust into a world of luxury and greed, cutthroat business and sensory delight. Lost in the mess of it all, she can either crumble completely or fight like hell for the life she wants and the love she deserves.

With razor-sharp wit and searing insight, Emily Belden serves up a deliciously dishy look behind the kitchen doors of a hot foodie town.

NORMAL
Graeme Cameron is a debut author offering a unique and compelling story that is unlike anything you have read before. A humourous and likeable serial killer with a conscience?

“The truth is I hurt people. It’s what I do. It’s all I do. It’s all I’ve ever done.”

He lives in your community, in a nice house with a well-tended garden. He shops in your grocery store, bumping shoulders with you and apologizing with a smile. He drives beside you on the highway, politely waving you into the lane ahead of him.

What you don’t know is that he has an elaborate cage built into a secret basement under his garage. And the food that he’s carefully shopping for is to feed a young woman he’s holding there against her will—one in a string of many, unaware of the fate that awaits her.

This is how it’s been for a long time. It’s normal…and it works. Perfectly.

Then he meets the checkout girl from the 24-hour grocery. And now the plan, the hunts, the room…the others. He doesn’t need any of them anymore. He needs only her. But just as he decides to go straight, the police start to close in.

Discovering his humanity couldn’t have come at a worse time.

THE SUMMER THAT MADE US
A television talk show host returns to her childhood summer home to rebuild her life after she's fired for falling ratings. The return is bittersweet as the house has been neglected for years. She's flooded with memories of the wonderful summers she spent with her sisters and cousins before a tragic event changed everything.

Working to uncover what really happened the last summer they were all together, she reaches out to her family and the women all gather for an uneasy family reunion. As they share their stories they realize their recollections of their summer childhoods are vastly different and no one's lives are what they'd dreamed of when they were children. But being together again helps them all to heal from the scars of the past.

THE FAMILY GATHERING
An exceptional storyteller, #1 New York Times bestselling author Robyn Carr beautifully captures the emotionally charged, complex dynamics that come with being part of any family. Readers will laugh and shed a few tears as they discover what it means to be loved, supported and accepted by the people who mean the most.

Having left the military, Dakota Jones is at a crossroads in his life. With his elder brother and youngest sister happily settled in Sullivan’s Crossing, he shows up hoping to clear his head before moving on to his next adventure. But, like every visitor to the Crossing, he’s immediately drawn to the down-to-earth people and the seemingly simple way of life.

Dakota is unprepared for how quickly things get complicated. As a newcomer, he is on everyone’s radar—especially the single women in town. While he enjoys the attention at first, he’s really only attracted to the one woman who isn’t interested. And spending quality time with his siblings is eye-opening. As he gets to know them, he also gets to know himself and what he truly wants.

When all the Jones siblings gather for a family wedding, the four adults are drawn together for the first time in a way they never were as children. As they struggle to accept each other, warts and all, the true nature and strength of their bond is tested. But all of them come to realize that your family are the people who see you for who you really are and love you anyway. And for Dakota, that truth allows him to find the home and family he’s always wanted.

### J.T. Ellison

**LIE TO ME**
Domestic noir at its best. Readers will devour this stunning page-turner about the disintegration of a marriage as grief, jealousy, betrayal and murder destroy the facade of the perfect literary couple. *New York Times* bestselling author J.T. Ellison takes her exceptional writing to a new level with this breakout novel.

They built a life on lies.

Sutton and Ethan Montclair’s idyllic life is not as it appears. They seem made for each other, but the truth is ugly. Consumed by professional and personal betrayals and financial woes, the two both love and hate each other. As tensions mount, Sutton disappears, leaving behind a note saying not to look for her.

Ethan finds himself the target of vicious gossip as friends, family and the media speculate on what really happened to Sutton and Ethan Montclair. As the police investigate, the lies the couple have been spinning for years quickly unravel. Is Ethan a killer? Is he being set up? Did Sutton hate him enough to kill the child she never wanted and then herself? The path to the answers is full of twists that will leave the reader breathless.

New York Confidential Series

A DANGEROUS GAME (Book 3 in the series)
Trouble always finds her...

Wrapping up a normal day at the office, criminal psychologist Kieran Finnegan is accosted by a desperate woman who shoves an infant into her arms and then flees, only to be murdered minutes later on a busy Manhattan street.

Who was the woman? Where did the baby come from? Kieran can’t stop thinking about the child and the victim, so her boyfriend, Craig Frasier, does what any good special agent boyfriend would do—he gets the FBI involved. And asks Kieran to keep out of it.

But the Finnegans have a knack for getting into trouble, and Kieran won’t sit idle when a lead surfaces through her family’s pub. Investigating on her own, she uncovers a dangerous group that plays fast and loose with human lives and will stop at nothing to keep their secrets—and they plan to silence Kieran before she can expose their deadly enterprise.

From the dark depths of Hollywood’s past.

The crime scene is horrific: the corpse of a young actress, drained of blood and cut in two. LAPD Detective Sophie Manning’s new case is high-profile and difficult—there’s no evidence to work with. And it’s a disturbing echo of the infamous Black Dahlia killing. Sophie is burning the candle at both ends, desperate to catch the murderer before he strikes again, when she starts to experience inexplicable visits...from ghosts.

Bruce McFadden has a particular talent that can help Sophie—he can speak with the dead. As a consultant for the FBI’s paranormal team, the Krew of Hunters, he’s been tasked with Sophie’s case and they’re forced to partner up. But Sophie doesn’t want his help, and she doesn’t want to share his peculiar skill. And she certainly isn’t ready for love, despite Bruce’s attentions.

As the killer taunts the police, Sophie and Bruce will discover that the threat is closer to home than they’d ever realized.

Working side by side is the only way they’ll stop this deadly sequel.

THESE THINGS HIDDEN
Heather Gudenkauf, acclaimed author of the New York Times bestseller The Weight of Silence, returns with a provocative, powerful and deeply moving novel about one little boy and the women who love him.

In the small Iowa town of Linden Falls, popular teenager Allison Glenn is arrested for murdering her newborn daughter. In response to the devastating crime, the authorities devise a safe haven program at the local hospital to provide troubled mothers a safe, anonymous option for their newborns. Within days an infant boy is found on the doorstep. And even though the child, Joshua, finds a home with a loving and deserving couple, the harrowing truth about his origins remains a mystery.

Now, five years later, Allison is out of jail. Linden Falls’ former golden girl is living in a halfway house and having trouble shaking the past. What keeps her going is her fervent wish to reconnect with her sister Brynn and to try to start her life again. For Brynn, however, Allison is simply a dreadful reminder of the part she unwillingly played that night—a part she is still trying to forget.

But the past cannot be forgotten, and the consequences of that night finally bring the two sisters together. Their once-hidden secrets come to light, and in the glare of examination each of them must confront their long-buried demons...demons that hold the key to unlocking Joshua’s past.

LORD OF THE PRIVATEERS (Book 4 in the series)

#1 New York Times bestselling author Stephanie Laurens delivers the thrilling conclusion to her acclaimed series The Adventurers Quartet, a passionate Regency-era drama where intrigue and danger play out on the high seas and in exotic tropical jungles, ultimately reaching a dazzling climax in the glittering ballrooms of London.

Unstoppable determination

Widely known as the lord of the privateers, Royd Frobisher expects to execute the final stage of the rescue mission his brothers have begun. What he does not expect is to be pressured into taking Isobel Carmichael—his childhood sweetheart, former handfasted bride and current business partner—with him. A force of nature, Isobel has a mission of her own: to find and bring a young cousin safely home. And along the way, she hopes to rid herself of the dreams of a life with Royd that still haunt her.

Unfinished business

Neither expects the shock that awaits them as they set sail, much less the new horizons that open before them as they embark on a full-scale rescue-assault on the compound deep in the jungle. Yet despite the support of his brothers and their ladies, Royd and Isobel discover that freeing the captives is only half the battle. To identify and convict the conspirators behind the illicit enterprise—and save England from political disaster—they must return to the ballrooms of the haut ton and hunt the villains on their home ground.

Unforgettable love

But having found each other again, having glimpsed the heaven that could yet be theirs, how much are Royd and Isobel willing to risk in the name of duty?

Revel in the action, drama, intrigue and passion as the Frobishers—with help from Wolverstone, the Cynsters and many familiar others—steer the adventure to a glorious end.

1225 CHRISTMAS TREE LANE
Welcome to Christmas Town!

The people of Cedar Cove know how to celebrate Christmas. Like Grace and Olivia and everyone else, Beth Morehouse expects this Christmas to be one of her best. Her small Christmas-tree farm is prospering, her daughters and her dogs are happy and well, and her new relationship with local vet Ted Reynolds is showing plenty of romantic promise.

But...someone recently left a basket filled with puppies on her doorstep, puppies she’s determined to place in good homes. That’s complication #1. And #2 is that her daughters, Bailey and Sophie, have invited their dad, Beth’s ex-husband, Kent, to Cedar Cove for Christmas. The girls have visions of a mom-and-dad reunion dancing in their heads.

As always in life—and in Cedar Cove—there are surprises, too. More than one family is going to have a puppy under the tree. More than one scheme will go awry. And more than one romance will have a happy ending!

SISTERS LIKE US (Book 4 in the series)
The grass is always greener on your sister’s side of the fence…

Divorce left Harper Szymanski with a name no one can spell, a house she can’t afford and a teenage daughter who’s pulling away. With her fledgling virtual-assistant business, she’s scrambling to maintain her overbearing mother’s ridiculous Susie Homemaker standards and still pay the bills, thanks to clients like Lucas, the annoying playboy cop who claims he hangs around for Harper’s fresh-baked cookies.

Spending half her life in school hasn’t prepared Dr. Stacey Bloom for her most daunting challenge—motherhood. She didn’t inherit the nurturing gene like Harper and is in deep denial that a baby is coming. Worse, her mother will be horrified to learn that Stacey’s husband plans to be a stay-at-home dad…assuming Stacey can first find the courage to tell Mom she’s already six months pregnant.

Separately they may be a mess, but together Harper and Stacey can survive anything—their indomitable mother, overwhelming maternity stores and ex’s weddings. Sisters Like Us is a delightful look at sisters, mothers and daughters in today’s fast-paced world, told with Susan Mallery’s trademark warmth and humor.

SECRETS OF THE TULIP SISTERS
A wonderful story full of romance, forgiveness and the unavoidable ties that bind, Secrets of the Tulip Sisters is Susan Mallery at her very best.

The relationship of sisters Kelly and Olivia Van Gilder has been, well…complicated ever since their mother left them as teens, though it’s the secrets they have been keeping from each other as adults that have unwittingly widened the chasm. But one thing they do share is the not-so-secret torch they carry for the Martin brothers.

In the small enclave of New Holland, Washington, Griffith and Ryan Martin were demigods. While Griffith was the object of Kelly’s high school crush and witness to her mortal teenage humiliation, Ryan was for Olivia the boy who got away—something she’s never forgiven Kelly for—and the only person since her mother who appreciated her wild streak.

Now, ten years later, both brothers are newly returned to town. Believing they’re destined to be together, Olivia’s determined to get Ryan back, until she discovers that she’s not the only one keeping secrets…and that perhaps he’s not the handsome prince she remembered. And even though Griffith has grown up to be more irresistible than ever, Kelly’s impulse is to avoid him and the painful memory he represents, despite his resolve to right the wrong he caused her long ago—and her desire to let him.

**THE NEIGHBORS**

Abby looks forward to meeting the family who just moved in across the street—until she realizes they’re the one couple who could expose her deepest secrets.

After a night of fun back in 1992, Abby is responsible for a car crash that kills her beloved brother. It’s a mistake she can never forget, so she pushes away Liam, the man she loves most, knowing that he would eventually hate her for what she’s done, the same way she hates herself.

Twenty years later, Abby’s husband, Nate, is also living with a deep sense of guilt. He was the driver who first came upon the scene of Abby’s accident, the man who pulled her to safety before the car erupted in flames—the man who could not save her brother in time. It’s this guilt, this regret, that binds them together. They understand each other. Or so Nate believes.

In a strange twist of fate, Liam moves in with his own family next door, releasing a flood of memories that Abby has been trying to keep buried all these years. Abby and Liam, in a complicit agreement, pretend never to have met, yet cannot resist the pull of the past—nor the repercussions of the terrible secrets they’ve both been carrying...

Brimming with emotional tension and unrelenting suspense, McKinnon’s debut explores how the lies we tell to protect each other can become the very things that tear our lives apart.

**LAST SEEN**

They are the perfect family. But perfection is fragile.

Cal Hudson knows the world can be an ugly place. As a reporter for a big Chicago newspaper, Cal has journeyed into society’s darkest corners to expose the vilest crimes. But the world he and his devoted wife, Faith, share with their son is much nicer. They have made sure of it, creating a tranquil haven in suburban River Ridge to protect the person most precious to them.

Until the unthinkable happens, and nine-year-old Gage vanishes.

In a split second at a local carnival, the Hudsons’ storybook world begins unraveling. A frantic search starts to uncover splinters in their carefully crafted facade, revealing buried secrets that cast just as much suspicion on Cal and Faith as any ill-meaning stranger, and proving that the line between love and violence can disappear as suddenly as a child on a chaotic midway.

In this charming novel about the search for love, home and family, New York Times bestselling author Carla Neggers takes readers on a journey to an irresistible town they’ll want to return to over and over again.

Felicity MacGregor loves organizing social events for others but her own personal life is a different story. After a brief but failed attempt at a career as a financial analyst, she returned to Knights Bridge where she enjoys running a thriving party-planning business.

Then Felicity’s life gets a shake-up when her childhood friend, Gabriel Flanagan, returns unexpectedly to their tiny hometown. Impostor’s Lure (Book 8 in the series)

Master of suspense and New York Times bestselling author Carla Neggers delivers an exhilarating page-turner where the disappearance of a federal prosecutor launches the latest high-stakes case for FBI agents Emma Sharpe and Colin Donovan.

Newlyweds Emma and Colin are suspicious when prosecutor Tamara McDermott is a no-show at a Boston dinner party. Matt Yankowski, head of HIT, Emma and Colin’s small, elite Boston-based team, is a friend of Tamara’s, and he needs them to find her.

In London, a woman who was supposed to meet Emma’s art-detective grandfather to talk about forgeries is discovered near death. Her husband, who stayed behind in Boston, has vanished. The couple’s connection to Tamara adds to the puzzle.

As the search for Tamara intensifies, a seemingly unrelated murder leads Emma, Colin and HIT deep into a maze of misdirection created by a clever, lethal criminal who stays one step ahead of them. As Emma draws on her expertise in art crimes and Colin on his experience as a deep-cover agent, the investigation takes a devastating turn that tests the strengths of their families and friendships as well as their FBI colleagues as never before.

Impostor’s Lure is full of clever twists that will keep readers guessing right to the stunning conclusion!
RIGHT WHERE WE BELONG (Book 4 in the series)

New York Times bestselling author Brenda Novak returns to Silver Springs with a moving story about rebuilding your life when you’ve got nothing left to lose.

Savanna Gray needs a do-over. Her “perfect” life unraveled when, to her absolute shock, her husband was arrested for attacking three women. With her divorce settled, she takes her two children home to Silver Springs to seek refuge between the walls of the farmhouse where she was born. It needs a little TLC, but she’s eager to take control of something.

Gavin Turner understands the struggle of starting over. Abandoned at a gas station when he was five, it wasn’t until he landed at New Horizons Boys Ranch as a teen that he finally found some peace. He steps up when Savanna needs help fixing things—even when those things go beyond the farmhouse.

Despite an escalating attraction to Gavin, Savanna resolves to keep her distance. She trusted her ex, who had a similarly tragic background, and is unwilling to repeat her past mistakes. But it’s hard to resist a man whose heart is as capable as his hands.

EVERYTHING THAT Follows
Caught in the backwash, they have lost control of their lives…

In this novel of moral complexity, friends must choose between self-preservation and doing the right thing in the wake of a fatal boating accident. Set in the moody off-season of Martha’s Vineyard, Everything That Follows is a plunge into the dark waters of secrets and flexible morals. The truth becomes whatever we say it is…

Around midnight, three friends take their partying from bar to boat on a misty fall evening. Just as the weather deteriorates, one of them suddenly and confusingly goes overboard. Is it an accident? The result of an unwanted advance? His body disappears quickly, silently, into the dark water. The circumstances are murky, but what is clear is that the other two need to notify the authorities. Minutes become hours become days as they hesitate, caught up in their guilt and hope that their friend has somehow made it safely to shore. As valuable time passes, they find themselves deep in a moral morass with huge implications as they struggle to move forward and live with their dark secret.

THE LUCKY ONES
They called themselves “the lucky ones”.

They were seven children either orphaned or abandoned by their parents and chosen by legendary philanthropist and brain surgeon Dr. Vincent Capello to live in The Dragon, his almost magical beach house on the Oregon Coast. Allison was the youngest of the lucky ones, living an idyllic life with her newfound family…until the night she almost died and was then whisked away from the house and her adopted family forever.

Now, thirteen years later, Allison receives a letter from Roland, Dr. Capello’s oldest son, warning her that their father is ill and in his final days. Allison determines she must go home again and confront the ghosts of her past. She’s determined to find out what really happened that fateful night—was it an accident or, as she’s always suspected, did one of her beloved family members try to kill her?

But digging into the past can reveal horrific truths, and when Allison pieces together the story of her life, she learns the terrible secret at the heart of the family she once loved but never really knew.

THE SWALLOW’S NEST
Three women fight for the chance to raise the child they’ve all come to love.

When Lilia Swallow’s husband, Graham, goes into remission after a challenging year of treatment for lymphoma, the home and lifestyle blogger throws a party. Their best friends and colleagues attend to celebrate his recovery, but just as the party is in full swing, a new guest arrives. She presents Lilia with a beautiful baby boy and vanishes. A custody battle begins, and each would-be mother must examine her heart, confront her choices and weigh her dreams against the fate of one vulnerable little boy. Each woman will redefine family, belonging and love—and the results will alter the course of not only their lives, but also the lives of everyone they care for.

WELCOME TO MOONLIGHT HARBOR (Book 1 in the series)
USA TODAY bestselling author Sheila Roberts returns with a brand-new series set on the charming Washington coast.

Once happily married, Jenna Jones is about to turn forty, and this year for her birthday—lucky her—she’s getting a divorce. She’s barely able to support herself and her teenage daughter, but now her deadbeat artist ex is hitting her up for spousal support…and then spending it on his “other” woman.

Still, as her mother always says, every storm brings a rainbow. And when she gets a very unexpected gift from her great-aunt Edie, things seem to be taking a turn for the better. Aging Aunt Edie is finding it difficult to keep up her business running The Driftwood Inn, so she invites Jenna to come live with her and run the place. It looks like Jenna’s financial problems are solved!

Or not. The town is a little more run-down than Jenna remembered, but that’s nothing compared to the ramshackle state of The Driftwood Inn. Aunt Edie is confident they can return it to its former glory, though Jenna feels like she’s jumped from the proverbial frying pan into the beach fire.

But who knows? With the help of her new friends and a couple of handsome citizens, perhaps that rainbow is on the horizon after all. Because no matter what, life is always good at the beach.

Featuring all the warmth, romance and trademark humor of Sheila Roberts’s writing, this new series will delight longtime fans and welcome a generation of new readers.

THREE CHRISTMAS WISHES

Three friends, three wishes—one Christmas!

Riley Erickson, her pregnant sister, Jo, and their friend Noel are all wishing for the same thing: the perfect man. Or at least men who are perfect for them. Riley’s hasn’t turned out to be too impressive, dumping her for her bridesmaid three weeks before the wedding. Jo’s husband is being perfectly stubborn. And Noel has given up completely.

When the three women visit a shopping-mall Santa on a lark, the guy is full of predictions. Riley’s going to meet her perfect man in a memorable way. Noel is going to get a good man to go with that house she’s trying desperately to buy. And Jo, well, a new man is about to come into her life. What on earth does that mean? She already has her hands full with the one she’s got. As for Riley and Noel, they have some holiday challenges to meet…

But Christmas wishes can come true, as these three women are about to discover. Because in spite of romantic setbacks and derailed dreams, this truly is the most wonderful time of the year!

The Chronicles of Elantra Series

CAST IN DECEPTION (Book 13 in the series)

With friends like these, who needs enemies?

Private Kaylin Neya thought her home couldn’t possibly get more crowded. But when one of her housemates, Annarion, decides to undertake the Barrani Test of Name, his friends refuse to let him face his task alone—and Kaylin’s sentient home, Helen, is the only structure capable of shielding the rest of Elantra from the magnitude of their power.

Annarion and Mandoran almost caused the destruction of the High Halls once already. Add nine of their closest friends, and the danger is astronomically higher—even since these guests are at the heart of a political firestorm. Imprisoned almost a millennium ago, their recent freedom threatens the rulership of several prominent Barrani families, and the machinations of those Lords make it almost impossible to tell friend from foe.

As political tensions ramp up, the shadows beneath the High Halls are seeking a freedom that has never been possible before. Kaylin must find a way to keep those shadows from escaping, or that freedom will destroy her city, the empire and everything she holds dear.

IN SHADOWS
To protect her, he must remain a ghost...

Jack McCann has been in love with Shelly since they were teens. They married just out of college and right before he went to work as an undercover agent for the FBI. When he can, he slips away from his assignments to see her—just like tonight, when he sneaks into his own home to hold Shelly in his arms and assure her that his cover is still secure.

Jack has already been undercover for months investigating an import/export business long-suspected of smuggling weapons out of the States, but just as the FBI is set to make the bust, Jack’s cover is blown. The last thing he feels as he crashes through a warehouse window and into the open water is a bullet piercing his back. The last thing he hears is Adam Wu promising to destroy everyone Jack loves.

Shelley’s worst nightmares come true when the FBI arrive at her doorstep to bring her the news. But she doesn’t know the truth: Jack survived the shooting, and will do anything to keep his beloved wife safe—even if it means hiding in shadows...

LITTLE SECRETS
What happens when ambition trumps the truth?

A town reeling in the wake of tragedy

An arsonist is on the loose in Colmstock, Australia, most recently burning down the town’s courthouse and killing a young boy who was trapped inside…

An aspiring journalist desperate for a story

The clock is ticking for Rose Blakey. With nothing but rejections from newspapers piling up, her job pulling beers for cops at the local tavern isn’t nearly enough to cover rent. Rose needs a story—a big one.

Little dolls full of secrets

In the weeks after the courthouse fire, precise porcelain replicas of Colmstock’s daughters begin turning up on doorsteps, terrifying parents and testing the limits of the town’s already fractured police force.

Rose may have finally found her story. But as her articles gain traction and the boundaries of her investigation blur, Colmstock is seized by a seething paranoia. Soon, no one is safe from suspicion. And when Rose’s attention turns to the mysterious stranger living in the rooms behind the tavern, neighbor turns on neighbor and the darkest side of self-preservation is revealed.
New York Times bestselling author Maria V. Snyder brings her Poison Study series to its exhilarating conclusion.

Despite the odds, Yelena and Valek have forged an irrevocable bond—and a family—that transcends borders. Now, when their two homelands stand on the brink of war, they must fight with magic and cunning to thwart an Ixian plot to invade Sitia.

Yelena seeks to break the hold of the insidious Theobroma that destroys a person’s resistance to magical persuasion. But the Cartel is determined to keep influential citizens and Sitian diplomats in thrall—and Yelena at bay. With every bounty hunter after her, Yelena is forced to make a dangerous deal.

With might and magic, Valek peels back the layers of betrayal surrounding the Commander. At its rotten core lies a powerful magician…and his latest discovery. The fate of all rests upon two unlikely weapons. One may turn the tide. The other could spell the end of everything.

SUCH DARK THINGS
A horrific recurring nightmare is threatening to steal her sanity...

Dr. Corinne Cabot is living the American dream. She’s a successful ER physician in Chicago who’s married to a handsome husband. Together they live in a charming house in the suburbs. But appearances can be deceiving—and what no one can see is Corinne’s dark past. Troubling gaps in her memory mean she recalls little about a haunting event in her life years ago that changed everything.

She remembers only being in the house the night two people were found murdered. Her father was there, too. Now her father is in prison; she hasn’t been in contact in years. Repressing that terrifying memory has caused Corinne moments of paranoia and panic. Sometimes she thinks she sees things that aren’t there, hears words that haven’t been spoken. Or have they? She fears she may be losing her mind, unable to determine what’s real and what’s not.

So when she senses her husband’s growing distance, she thinks she’s imagining things. She writes her suspicions off to fatigue, overwork, anything to explain what she can’t accept—that her life really isn’t what it seems.

The Menagerie Series

SPECTACLE (Book 2 in the series)
In this riveting sequel to New York Times bestselling author Rachel Vincent’s Menagerie, Delilah Marlow will discover that there is no crueler cage than the confines of the human mind...

When their coup against Metzger’s Menagerie is discovered, Delilah and her fellow cryptids find their newly won freedom brutally stripped away as they are sold into The Savage Spectacle, a private collection of “exotic wildlife.” Specializing in ruthless cryptid cage matches, safari-style creature hunts and living party favors, the Spectacle’s owner, Willem Vandekamp, caters to the forbidden fetishes of the wealthy and powerful. At the Spectacle, any wish can be granted—for the right price.

But Vandekamp’s closely guarded client list isn’t the only secret being kept at the Spectacle. Beneath the beauty and brutality of life in the collection lie much darker truths, and no one is more determined than Delilah to rip the masks from the human monsters and drag all dark things into the light.

**THE LONGEST SILENCE** (Book 4 in the series)

A killer stole her voice. Now she’s ready to take it back.

Joanna Guthrie was free. She had been for eighteen years—or so she needed everyone to believe. What really happened during the longest fourteen days of her life, when she and two other women were held captive by the worst kind of serial killer, wasn’t something she could talk about. Not after what they’d had to do to survive.

But when more women go missing in an eerily similar manner, Jo knows her prolonged silence will only seal their fates. She’s finally ready to talk; she just needs someone to listen. FBI special agent Tony LeDoux can’t deny he finds Jo compelling; he’s just not sure he believes her story. But with the clock ticking, Jo will do anything to convince him, even if it means unearthing long-buried secrets that will land them squarely in the crosshairs of the killer...

Lakeshore Cottage

When caregiver Faith McCallum arrives at the enchanted lakeside estate of Avalon’s renowned Bellamy family, she’s intent on rebuilding her shattered life and giving her two daughters a chance at a better future. But she faces a formidable challenge in the form of her stubborn and difficult new employer, Alice Bellamy. While Faith proves a worthy match for her sharp-tongued client, she often finds herself at a loss for words in the presence of Mason Bellamy—Alice’s charismatic son, who clearly longs to escape the family mansion and return to his fast-paced, exciting life in Manhattan…and his beautiful, jet-setting fiancée.

The last place Mason wants to be is a remote town in the Catskills, far from his life in the city, and Faith McCallum is supposed to be the key to his escape. Hiring the gentle-hearted yet strong-willed caregiver as a live-in nurse gives his mother companionship and Mason the freedom to return to his no-attachments routine. For Faith, it means stability for her daughters and a much-needed new home. When Faith makes a chilling discovery about Alice’s accident, Mason is forced to reconsider his desire to keep everyone, including his mother, at a distance. Now he finds himself wondering if the supercharged life he’s created for himself is what he truly wants…and whether exploring his past might lead to a new life—and lasting love—on the tranquil shores of Willow Lake.

ROSIE COLORED GLASSES
Just as opposites attract, they can also cause friction, and no one feels that friction more than Rex and Rosie’s daughter, Willow. Rex is serious and unsentimental and tapes checklists of chores on Willow’s bedroom door. Rosie is sparkling and enchanting and meets Willow in their treehouse in the middle of the night to feast on candy.

After Rex and Rosie’s divorce, Willow finds herself navigating their two different worlds. She is clearly under the spell of her exciting, fun-loving mother. But as Rosie’s behavior becomes more turbulent, the darker underpinnings of her manic love are revealed.

Rex had removed his Rosie colored glasses long ago, but will Willow do the same?

Whimsical, heartbreaking and uplifting, this is a novel about the many ways love can find you. *Rosie Colored Glasses* triumphs with the most endearing examples of how mothers and fathers and sons and daughters bend for one another.

“Brianna Wilson has done a marvelous and generous thing by writing *Rosie Colored Glasses*. I followed Willow with a hopeful, breaking heart, reminded how all of us, daughters, mothers, parents, children, are “different” in so many ways, and yet so beautiful and absolutely deserving of giving and receiving our love.” —Nancy Thayer, New York Times bestselling author of *Secrets in Summer*

“Rosie Colored Glasses is tender and bright, a compelling novel of a young girl (who completely owned my heart) and the mother she adores and fears and needs so badly. Brianna Wolfson is a wonderful writer. She has captured so brilliantly the demons and angels of mental illness, love and longing.” —Luane Rice, New York Times bestselling author of *The Beautiful

“A brilliant and beguiling debut exploring the highs and heartbreaking lows of love. Sparkling, insightful and honest, the Thorpe family’s powerful story will stay in my thoughts for a long time.” —Phaedra Patrick, author of *The Curious Charms of Arthur Pepper*

“Rosie Colored Glasses is a bittersweet, tender exploration of many kinds of love. This compelling novel, with unpredictable turns, reveals what love can save and what it can’t.” —Helen Klein Ross, award-winning author of *What Was Mine*

“Heartbreaking and beautiful all at once...a stained glass window pieced together from shards of broken family life that create an illuminated picture of what it means to survive one’s childhood.” —Bunmi Laditan, author of *Confessions of a Domestic Failure*

A Chesapeake Shores Novel

LILAC LANE (Book 14 in the series)

Chesapeake Shores has always represented home and family for the O’Briens, but in Lilac Lane, the community extends its healing powers to a woman recovering from overwhelming grief.

Single mom Kiera Malone struggled for years to raise her three children in a small town on the coast of Ireland. Just when she’s let down her guard and allowed herself to love again, her fiancé suffers a fatal heart attack and leaves her alone yet again. Overwhelmed by her loss, she’s persuaded to visit her father, Dillon O’Malley, and her daughter, Moira O’Brien, in Chesapeake Shores. With the promise of family ties and a job at O’Brien’s, her son-in-law’s Irish pub, she takes what seems like the biggest risk of her life.

As it turns out, though, crossing the ocean is nothing compared to moving into a charming cottage on Lilac Lane, right next door to Bryan Laramie, the moody chef at O’Brien’s, who doesn’t do anything the way Kiera believes it should be done. Their kitchen wars quickly become the stuff of legends in Chesapeake Shores, and the town’s matchmakers conclude where there’s heat, there’s sure to be passion.

As these two deal with their wounded pasts and discover common interests, they might just find the perfect recipe for love.

The Mad Morelands Series

HIS WICKED CHARM (Book 6 in the series)

She’s too prim
Lilah Holcutt dislikes Constantine Moreland from the moment she meets him. He may be handsome, but he’s frivolous, rash, impulsive and, worst of all, a flirt. Now that Con’s twin brother has married Lilah’s best friend, she’s seeing way more of Con than she’d like. And when Con’s sisters are inexplicably kidnapped, Lilah’s own curiosity and stubbornness get the better of her, and she finds herself swept into Con’s investigation.

He’s indifferent to propriety
Con knows that Lilah hates him—he just wishes she weren’t so devastatingly beautiful, that he weren’t so attracted to her. Especially since they’re working closely together to solve the kidnapping, an adventure that leads them to Lilah’s peculiar childhood home, Barrow House, which sits atop an ancient fen and features an eerie maze on its grounds.

They’ll have to join together to conquer a sinister force
The more Con and Lilah uncover, the more they’re convinced that the answers lie buried deep within Barrow House—answers to a mystery darker than either of them could ever have realized.

Scottish Brides Series

CLAIMED BY THE LAIRD (Book 3 in the series)

He will expose her as the criminal he seeks, or seduce her as the woman he desires...

An old maid—that’s all Lady Christina McMorlan, daughter to the Duke of Forres, is to society now that she’s past thirty. She hosts her father’s parties and cares for her siblings, knowing she’ll never have her own home and family. She has no time to pine, however. By night, she’s The Lady, head of a notorious whiskey-smuggling gang that supports her impoverished clan. They’re always one step ahead of the revenue man—until Lucas Black shows up.

Rejecting his title and the proper society that disparaged his mother, Lucas earns his living running a successful gambling house. He’s also a spy, charged with bringing down the Forres gang. He thinks The Lady’s just a bored society spinster. She thinks he’s a lost child playing at rebellion. And when the truth comes out, it’s not just their love on the line…

The Hurley Boys Trilogy

**BACK TO YOU** (Book 3 in the trilogy)

What won’t he do for a second chance?

Former model Kelly Hurley has finally put the ashes of the past behind her. After a passionate but turbulent marriage to rock star Vaughn Hurley that ended in heartbreak and divorce, Kelly rebuilt her life in Portland, so their two young daughters could be close to their father. Just not so close that Kelly couldn’t truly make her own way without interference from the man who shattered her heart. Now Kelly’s finally ready to move on, and she’s planning to marry another man.

But not if Vaughn has anything to say about it.

Vaughn knows he was a fool all those years ago. A young, selfish—and prideful—fool. Even as he buried himself in the fast, decadent rock star lifestyle, he could never drown out the memory of Kelly’s beauty and love. Or the sweet, searing heat whenever they touched. For years, he’s had to deal with the pain of seeing her only because of their daughters, but it was never enough. Now Vaughn must prove that he’s the only man Kelly needs, before he loses her for good. And there’s only one way to do it…

Tragedy sent Deidre “Drey” Hunter running from rancher Hawk Cahill and into the arms of a sleek businessman who promised her a new life. But dreams of Manhattan days and cosmopolitan nights shatter when he brings her back to an ultramodern paradise in her hometown of Gilt Edge—and vanishes on their wedding night.

Taunted by seclusion and silence, Drey starts to doubt everything...including her sanity. Only Hawk, the stubborn cowboy from her school days, believes the threats are real and that someone is ready to kill. But is he willing to forgive the past if it means ending her nightmare?

### Into The Night (Book 3 in the series)

Sheltered in the shadows of the Smoky Mountains is the suspect who’s summoned FBI agent Macey Night’s fears to the surface. Every day that the “Profiler,” a vigilante serial killer, escapes justice is another day she’s reminded of what it is to be a ruthless predator’s prey. Capturing him is a craving deeper than anything she’s felt in a long time. But Agent Bowen Murphy, equal parts sexy and volatile, seems hell-bent on changing that. Working together—needing, living and breathing each other—they’re entwined to distraction.

Bowen’s used to operating on impulse: act, don’t feel. Now Macey and the controlled terror behind her beautiful eyes have him rethinking everything, including his rule to never get close to a colleague. He’s willing to fight for a future with Macey, but the consequences of love could be deadly.

First the calm. Then the storm...

Escaping DC during the dog days of summer is one of the smartest moves Washington metro police lieutenant Samantha Holland ever made. Beach walks aren’t quite as romantic with the Secret Service in tow, but Sam and her husband, Vice President Nick Cappuano, cherish the chance to recharge and reconnect—especially with a scandal swirling around the administration.

No sooner are they back home than a fatal drive-by shooting sets the city on edge. The teenage victim is barely older than Sam and Nick’s son, Scotty. As more deaths follow, Sam and her team play beat the clock to stop the ruthless killers. With Nick facing his greatest challenge—one that could drastically change all their lives and even end Sam’s career—will the mounting pressure deepen or damage their bond?

A Wrangler’s Creek Novel

THE LAST RODEO (Book 6 in the series)
The most important two words for this Wrangler’s Creek rodeo cowboy? I do...

Lucian Granger isn’t winning any Mr. Cowboy Congeniality awards. Known to his small Texas town as “Lucifer,” Lucian is determined to win his final rodeo. But the willful, handsome rancher is also a demanding pain in everyone’s rear. Only this time, he’s gone a bit too far, and now he has to clean up his image...by walking down the aisle. But who would ever agree to be Mrs. Lucifer?

Lucian values his assistant Karlee O’Malley more than anyone else, but marry her? Even just for the summer? And yet, from the moment they kiss, the dust storm hits the corral. Big-time. Before long, his family is out of control and Lucian risks losing the business, the ranch…and the one woman worth becoming a better man for.

COOPER’S CHARM
From New York Times and USA TODAY bestselling author Lori Foster comes a brand-new standalone contemporary trade romance sure to capture the diverse readerships of Nora Roberts and Colleen Hoover.

One Summer, Two Sisters And A Chance To Start Over...

THE INNKEEPER’S SISTER (Book 3 in the series)
Welcome to Honey Ridge, Tennessee, where Southern hospitality and sweet peach tea beckon, and where long-buried secrets lead to some startling realizations...

Grayson Blake always has a purpose—and never a moment to lose. He’s come home to Honey Ridge to convert a historic gristmill into a restaurant, but his plans crumble like Tennessee clay when the excavation of a skeleton unearths a Civil War mystery…and leads him back to a beautiful and familiar stranger.

Once a ballet dancer, now co-owner of the Peach Orchard Inn, Valery Carter harbors pain as deep as the secrets buried beneath the mill. A bright facade can’t erase her regrets any more than a glass of bourbon can restore what she’s lost. But spending time with Grayson offers Valery a chance to let go of her past and imagine a happier future. And with the discovery of hidden messages in aged sheet music, both their hearts begin to open. Bound by attraction, and compelled to resolve an old crime that links the inn and the mill, Grayson and Valery encounter a song of hurt, truth…and hope.

Bride Of The Night
Set during the aftermath of the Civil War, Heather Graham continues her intriguing Vampire Hunters series with Bride Of The Night.

She’s the vampire that could destroy a nation.
At least, that’s what Pinkerton detective Finn Dunne thinks of Tara Fox. Capturing her aboard a ship sneaking its way northward, he’s convinced she’s been sent to take out President Lincoln. While she’s certainly the most attractive assassin he’s ever faced, that won’t keep him from his duty.

Tara has always been caught between worlds. As a vampire born and raised in Key West, she has many friends among the humans. Many friends that are now fighting and dying in the raging Civil War.

When her strange dreams began, she thought of them at first as abstract things. But she now knows that she must travel to Washington, D.C., and protect the president at all costs. Finn still won’t trust her, despite what he’s seen. And if Tara has to go through him—or bring reinforcements—to save Lincoln, she’ll be sorry to see his pretty face hurt, though not as sorry as he’ll be.

TEMPTING THE LAIRD (Book 5 in the series)

Mystery and desire cloak the Scottish Highlands.

Unruly. Unmarried. Unapologetic. Catriona Mackenzie’s reputation precedes her everywhere she goes. Her beloved late aunt Zelda taught Cat to live out loud and speak her mind, and that’s exactly what she does when Zelda’s legacy—a refuge for women in need—comes under fire. When her quest puts her in the path of the disturbingly mysterious Hamlin Graham, Duke of Montrose, Cat is soon caught up in the provocative rumors surrounding the dark duke. Never one to retreat, Cat boldly goes where no one else has dared for answers.

Shrouded in secrets, a hostage of lies, Hamlin must endure the fear and suspicion of those who believe he is a murderer. The sudden disappearance of his wife and the truth he keeps silent are a risk to his chances at earning a coveted parliamentary seat. But he’s kept his affairs tightly held until a woman with sparkling eyes and brazen determination appears unexpectedly in his life. Deadly allegations might be his downfall, but his unleashed passion could be the duke’s ultimate undoing.

Susan Mallery

WHEN WE FOUND HOME

Using her trademark charm and humor, Susan Mallery deftly explores what defines family and love in this brand new story.

Life is meant to be savored, but that’s not easy with no family, limited prospects and a past you’d rather not talk about. Still, Callie Smith doesn’t know how to feel when she discovers she has a brother and a sister—Malcolm, who grew up with affection, wealth and privilege, and Keira, a streetwise twelve-year-old. Callie doesn’t love being alone, but at least it’s safe. Despite her trepidation, she moves into the grand family home with her siblings and grandfather on the shores of Lake Washington, hoping just maybe this will be the start of a whole new life.

But starting over can be messy. Callie and Keira fit in with each other, but not with their posh new lifestyle, leaving Malcolm feeling like the odd man out in his own home. He was clever enough to turn a sleepy Seattle mail-order food catalog into an online gourmet powerhouse, yet he can’t figure out how to help his new sisters feel secure. Becoming a family will take patience, humor, a little bit of wine and a whole lot of love. But love isn’t Malcolm’s strong suit…until a beautiful barista teaches him that an open heart, like the family table, can always make room for more.

In this emotional, funny and heartfelt story, Susan Mallery masterfully explores the definition of a modern family—blended by surprise, not by choice—and how those complicated relationships can add unexpected richness to life.

SECRETS OF THE TULIP SISTERS
From the #1 New York Times bestselling author of Daughters of the Bride comes the charming tale about the problem with secrets, the power of love and the unbreakable bond between sisters

Kelly Murphy’s life as a tulip farmer is pretty routine—up at dawn, off to work, lather, rinse, repeat. But everything changes one sun-washed summer with two dramatic homecomings: Griffith Burnett—Tulpen Crossing’s prodigal son, who’s set his sights on Kelly—and Olivia, her beautiful, wayward and, as far as Kelly is concerned, unwelcome sister. Tempted by Griffith, annoyed by Olivia, Kelly is overwhelmed by the secrets that were so easy to keep when she was alone.

But Olivia’s return isn’t as triumphant as she pretends. Her job has no future, and ever since her dad sent her away from the bad boy she loved, she has felt cut off from her past. She’s determined to reclaim her man and her place in the family...whether her sister likes it or not. For ten years, she and Kelly have been strangers. Olivia will get by without her approval now.

While Kelly and Olivia butt heads, their secrets tumble out in a big hot mess, revealing some truths that will change everything they thought they knew. Can they forgive each other—and themselves—and redefine what it means to be sisters?

Told with Mallery’s trademark heart and humor, the Tulip Sisters are in for the most colorful summer of their lives...

To overcome her painful past, baker Shelby Gilmore goes on the hunt for a friend—a male friend—to convince her stubborn psyche that men can be trusted. But where in a town as small as Fool’s Gold will the petite blonde find a guy willing to not date her?

Dark, charming Aidan Mitchell puts the “adventure” in Mitchell Adventure Tours…and into the beds of his many willing female tourists. Until he realizes he’s inadvertently become that guy—the one-night Casanova—and worse, everyone in town knows it. Maybe Shelby’s boy/girl experiment will help him see women as more than just conquests so he can change his ways and win back his self-respect.

As Aidan and Shelby explore the secret lives of men and women, the heat between them fires up the Fool’s Gold rumor mill. If no one will believe they’re just friends, maybe they should give the gossips something to really talk about!

She’s a no-makeup, no-frills single mom who’s happy with her quiet life. Sharing chili cheeseburgers and sizzling kisses with Mick is sure heating up her holiday, but country girl and power player don’t mix…

It’s not just work that’s brought Mick back to Mustang Creek. Since he first visited to oversee a documentary, free-spirited graphic designer Raine has been in his head. Her approach to life is as unconventional as her quirky holiday ornaments. Their attraction is undeniable—and so are their differences. Putting down roots in the Wild West wasn’t in the script. But there are some Christmas gifts you can’t walk away from, even when they turn your whole world upside down…

When three generations of women are brought together by crisis, they learn over the course of one hot summer the power of family to support, nourish and surprise.

Lauren has the perfect life...if she ignores the fact it's a fragile house of cards, and that her daughter Mack has just had a teenage personality transplant.

Jenna is desperate to start a family with her husband, but it's...Just. Not. Happening. Her heart is breaking, but she's determined to keep her trademark smile on her face.

Nancy knows she hasn't been the best mother, but how can she ever tell Lauren and Jenna the reason why?

Then life changes in an instant, and Lauren, Mack, Jenna and Nancy are thrown together for a summer on Martha's Vineyard. Somehow, these very different women must relearn how to be a family. And while unraveling their secrets might be their biggest challenge, the rewards could be infinite...

There’s no place to fall in love like the place you left your heart.

Welcome to Honeymoon Harbor, the brand-new, long-awaited series by beloved New York Times bestselling author JoAnn Ross, where unforgettable characters come face-to-face with the kind of love that grabs your heart and never lets go.

Working as a Las Vegas concierge, Brianna Mannion is an expert at making other people’s wishes come true. It’s satisfying work, but a visit home to scenic Honeymoon Harbor turns into a permanent stay when she’s reminded of everything she’s missing: the idyllic small-town charm; the old Victorian house she’d always coveted; and Seth Harper, her best friend’s widower and the neighborhood boy she once crushed on—hard. After years spent serving others, maybe Brianna’s finally ready to chase dreams of her own.

Since losing his wife, Seth has kept busy running the Harper family’s renovation business and flying way under the social radar. But when Brianna hires him to convert her aging dream home into a romantic B and B, working together presents a heart-stopping temptation Seth never saw coming. With guilt and grief his only companions for so long, he’ll have to step out of the past long enough to recognize the beautiful life Brianna and he could build together.

CALL TO REDEMPTION (Book 3 in the series)
The Poseidon team are hard-bodied, fiercely competitive Navy SEALs. But when a sensitive mission goes disastrously wrong, three of the team’s finest will have to trust their hearts and instincts to uncover the truth…

No strings. No questions. Just pleasure. For a few blissful days, Lieutenant Commander Nic Savino is enjoying a wild fling with the sexiest stranger he’s ever laid eyes—or any other body part—on. It’s almost enough to make the stalwart SEAL let down his guard for once. Until he learns that assistant US attorney Darby Raye—his Darby—is heading an investigation designed to destroy him…and Poseidon.

The gorgeous eyes that Darby spent her nights gazing into are now glaring at her across a courtroom. This case could build her career, but if Nic’s not a traitor, then he’s being framed by forces powerful enough to eliminate every obstacle in their way. And the tentative trust she and Nic are rebuilding—as well as their very lives—could become collateral damage…

WHAT IT TAKES: A KOWALSKIS REUNION (Book 10 in the series)
Revisit all of your Kowalski favorites while falling in love with a brand-new romance in this reunion novel from New York Times bestselling author Shannon Stacey.

Laney Caswell is looking for a change. A decade’s worth of less-than-happy matrimony behind her, she wants peace—movies, books and, best of all, a new job at the Northern Star Lodge in Whitford, Maine. Spending the summer living in a camper is her chance to rediscover what makes her happy, and a perfect transition to her new life.

Being a paramedic in Whitford is nothing like Ben Rivers’s city life, but when Josh Kowalski offers him the job, the lure of his hometown is too much to resist. Also too much to resist: Laney Caswell. Ben always thought he’d have a wife and kids, a happy family like the Kowalskis have all built, but he never made time in his life. Now he’s found a woman who draws him like no other and helps him dream again—and the last thing she wants is a husband.

When the annual Kowalski family camping trip is moved to the Northern Star, both Ben and Lacey are surrounded by the kind of happiness they’ve always wanted but never had. It just might be theirs—if they can put aside the past and reach for it together.
